This program emphasizes practical application, critical analysis, and innovative approaches to teaching and learning.

### Program Duration and Structure

- **Duration:** 6 – 18 Months
- **Credits:** 30 Credits
- **Delivery Mode:** Online
- **Language:** English

The program is structured to provide flexibility for working professionals, enabling them to balance their studies with their careers.

---

### Core Course

The MSc in Professional Education comprises eight core modules that address critical aspects of education and training. Each module is designed to build on the previous one, ensuring a cohesive and comprehensive learning experience.

1. **Developing Teaching, Learning, and Assessment in Education and Training:** Explores effective teaching, curriculum design, innovative strategies, assessment methods, and feedback.
2. **Evaluating Learning Programs:** Covers evaluation models, data collection, reporting, and continuous improvement in educational programs.
3. **Teaching, Learning, and Assessment in Education and Training:** Focuses on pedagogical theories, learning styles, assessment techniques, and technology integration.
4. **Theories, Principles, and Developments in Education and Training:** Examines educational philosophies, psychological theories, social influences, and emerging trends.
5. **Understanding and Managing Behavior in a Learning Environment:** Provides strategies for behavior management, classroom discipline, and conflict resolution.
6. **Wider Professional Practice and Development in Education and Training:** Highlights ethics, CPD, leadership, and collaboration in education.
7. **Inclusive Practice:** Emphasizes inclusive education, support for diverse learners, and accessibility measures.
8. **Manage Learning and Development in Groups:** Develops skills in group facilitation, teamwork, assessment, and conflict resolution.

---

## Learning Outcomes

Upon completion of the program, graduates will be able to:

- Design and implement effective teaching, learning, and assessment strategies.
- Evaluate and enhance educational programs using evidence-based methods.
- Apply advanced theories and principles in educational practice.
- Manage behavior and foster a positive learning environment.
- Engage in continuous professional development and demonstrate leadership
- Promote inclusive practices and support diverse learners.
- Effectively manage and develop learning in group settings.

---

## Admission Requirements

- Bachelor's Degree: Applicants must hold a bachelor's degree from an accredited institution. The preferred degree is the field related to education.
- Transcripts: Submission of official transcripts from all post-secondary institutions attended. A minimum GPA requirement, often around 3.0 on a 4.0 scale, is common.
- Statement of Purpose: A written statement outlining the applicant's academic and professional background, career goals, and reasons for pursuing the program.
- Resume/CV: A current resume or curriculum vitae detailing professional experience, educational background, and any relevant skills or accomplishments.
- An overview of your academic and professional background.

---

## Application Process

Interested candidates can apply online through the European City University website. The application process includes submitting academic transcripts, a statement of purpose, letters of recommendation, and a resume or CV.
